## [Video] : Akufo-Addo mocks NDC as huge umbrella falls on him

April 25, 2017

Trust politicians to throw shades at their opponents on any platform. Certainly, no opportunity slides as “a politician who doesn’t generate controversy is a dull politician, and that is not an interesting politics”. Apologies to President Nana Addo Dankwa Akufo-Addo!

The most interesting aspect is when the comment comes with a sense of humor which even gets the opponent laughing. President Akufo-Addo delivering a speech at a durbar organised at the Ngleshie Alata Traditional Area, Jamestown in honor of him and the First Lady amused the gathering with an innuendo to the opposition National Democratic Congress (NDC) when an umbrella which provided shade for him fell on his head.
